Xpress Wellness

Deep skincare, tailored to your rhythm

We have turned advanced skincare into an essential step of your relaxation routine. The **Xpress Wellness** program features non-invasive, **15 minutes** treatments that use transdermal oxygen infusion and active ingredients to work directly within the deeper layers of the skin. Whether you need intense hydration, restored firmness, or an antioxidant shield, the result is the same: an instantly bright, fresh, and revitalized complexion with zero downtime.

Calm & Restore

A swift infusion of hydration and toning formulated for sensitive, dehydrated, or depleted skin.

Active composition: A delicate formulation of Korean birch sap and vegan ceramides, entirely safe during pregnancy and nursing.

Effect: Restores the integrity of the hydrolipid barrier, providing antioxidant defense and an immediate sense of plumping and comfort.

Includes: Foam Cleanser, Gommage, Toner, Firm Eye Cream, Comfort Cream.

Duration: 15 min./ **Price:** 99 lei

Youth Bloom

An advanced restructuring treatment designed to enhance skin elasticity and diminish visible signs of fatigue.

Active composition: A precise blend of bakuchiol (a plant-based retinol alternative), biomimetic peptides, caffeine, and Korean thistle extract.

Effect: Supports the structural firmness of the skin, smooths fine lines, and soothes micro-inflammation for a uniform complexion. Application of an SPF formulation post-treatment is recommended.

Includes: Foam Cleanser, Gommage, Toner, Firm Ampoule, Firm Cream, premium Terrazen eye patches.

Duration: 15 min./ **Price:** 139 lei

Hyal n10 Infusion

A non-invasive cellular oxygenation treatment that delivers active ingredients into the deeper layers of the face, neck, and upper chest.

Active Composition: Dermadrop TDA transdermal technology (pressurized oxygen), complemented by an intensive formula of hyaluronic acid, caffeine, turmeric, and vitamin C.

Effect: Instantly refines skin texture through molecular hydration, dispels dullness, and imparts a deep radiance with zero downtime.

Includes: Foam Cleanser, Hyal n10 Serum, Face Cream.

Duration: 15 min./ **Price:** 99 lei

Mitocell Cellular Equilibrium

A precision treatment formulated to stimulate cellular metabolism and restore vitality to mature skin.

Active composition: Transdermal oxygen infusion via Dermadrop TDA technology, enriched with a synergistic complex of niacinamide, zinc, and hyaluronic acid.

Effect: Stimulates mitochondrial cellular energy to accelerate natural skin repair, reducing inflammation and visibly improving epidermal density.

Includes: Foam Cleanser, MitoCell Serum, Face Cream.

Duration: 15 min./ **Price:** 129 lei

Matcha Antioxidant Defence

An antioxidant shield that detoxifies skin exposed to urban stress and reinforces its natural self-defense mechanisms.

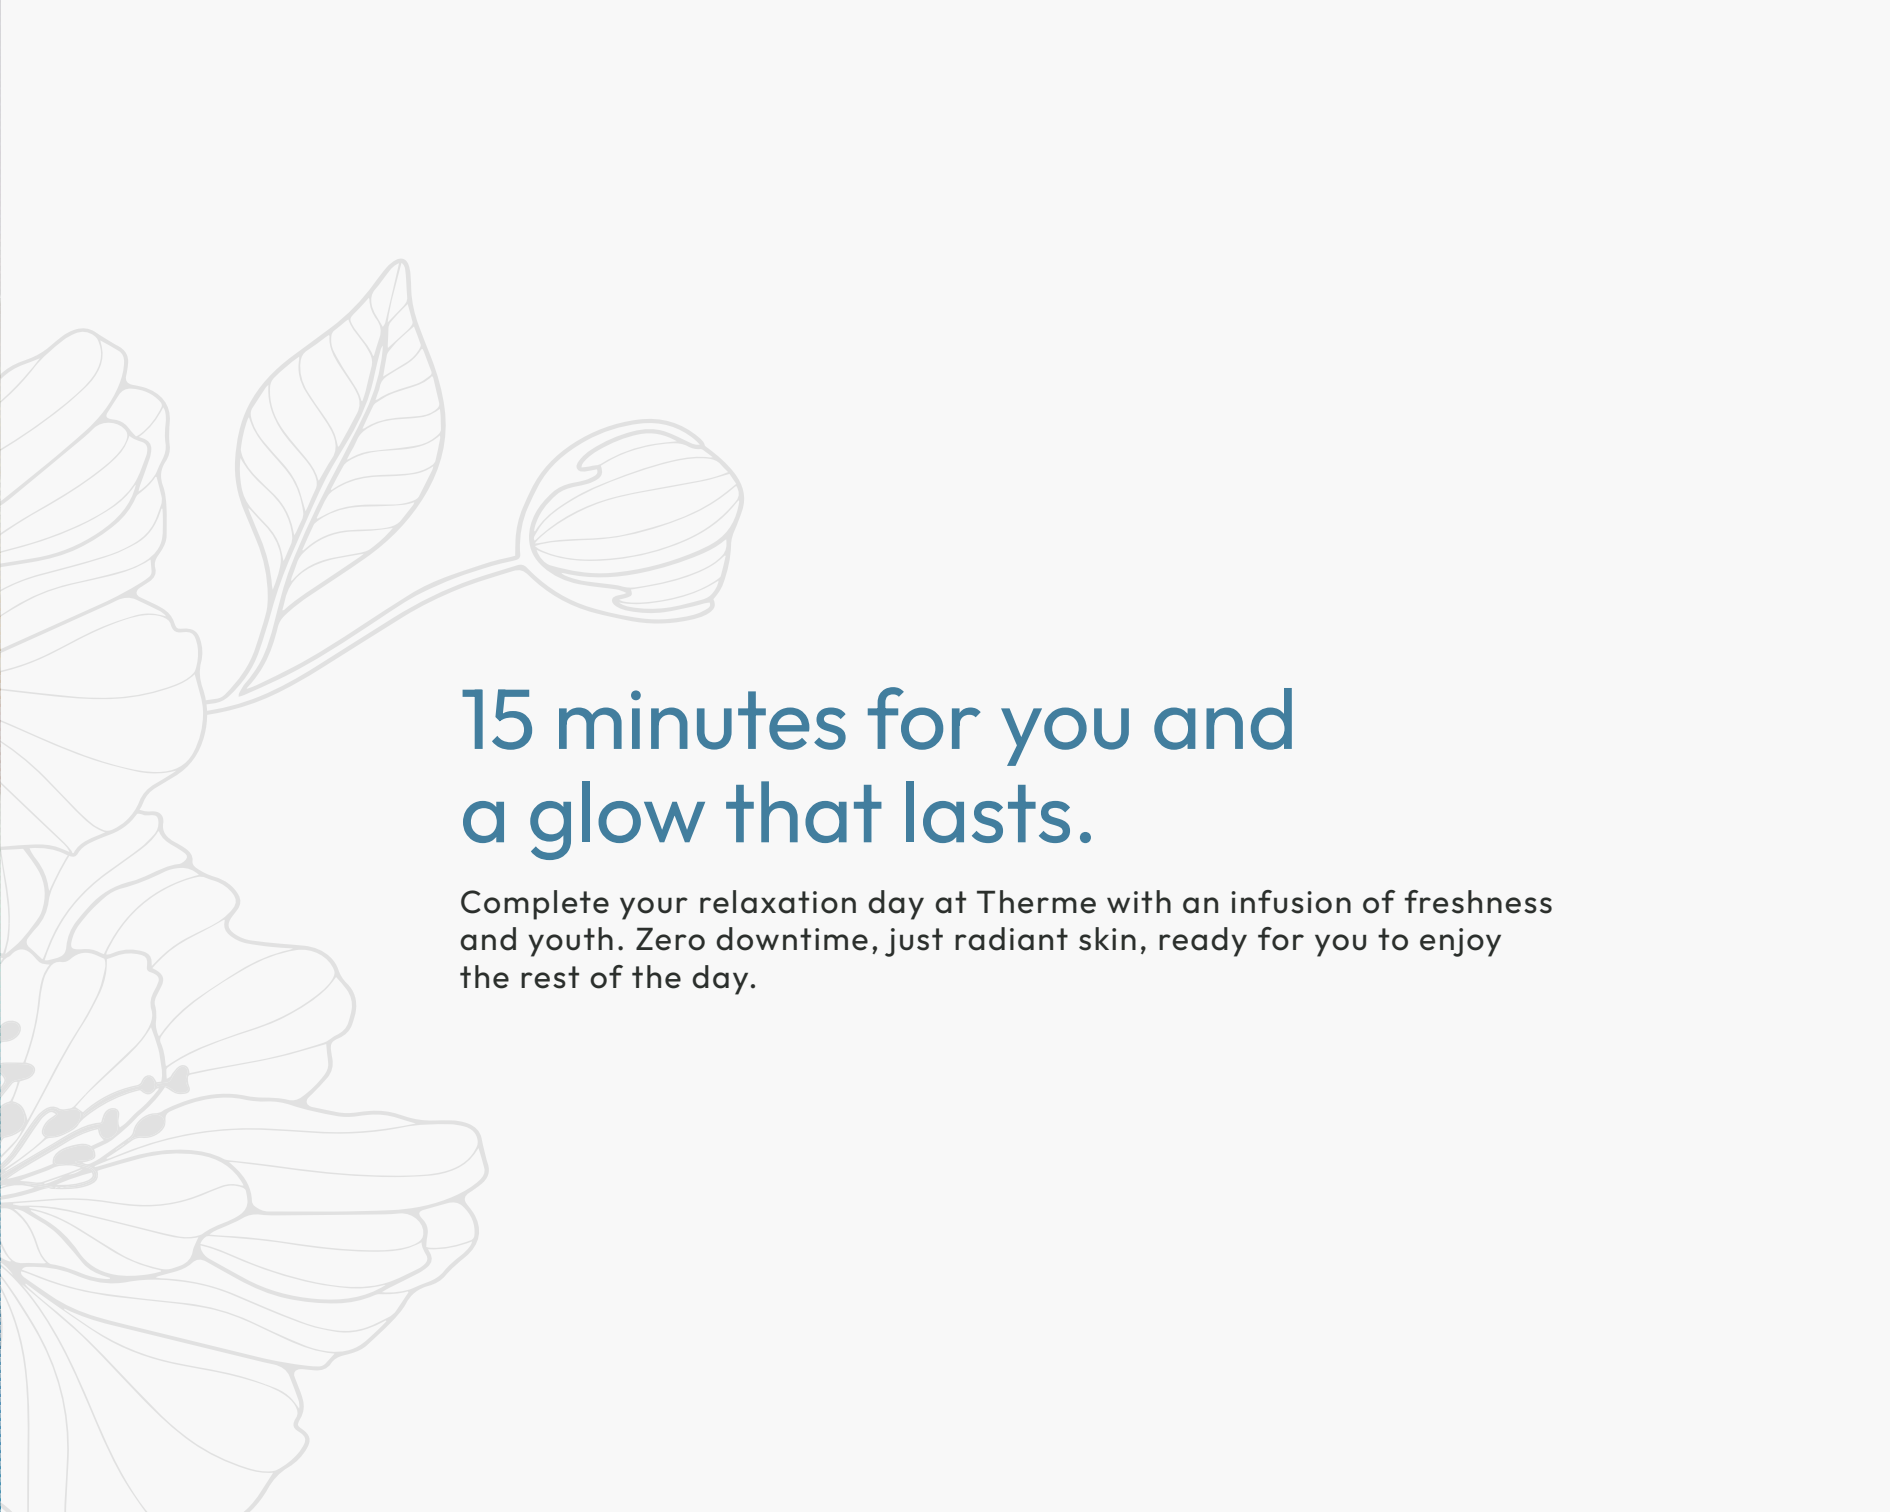

Active composition: Advanced infusion technology using oxygen saturated with pure matcha green tea extract, renowned for its remarkable antioxidant properties.

Effect: Effectively protects against environmental aggressors, soothes the epidermis, and softens fine lines through deep oxygenation and hydration.

Includes: Foam Cleanser, Matcha Serum, Face Cream.

Duration: 15 min./ **Price:** 169 lei
