Trăiește prin toți porii povestea celui mai mare festival dedicat iubitorilor de saună!
Bucură-te de peste **800 experiențe multisenzoriale unice** create special pentru ca tu să te simți bine aici și acum. Peste **100 de Maeștri Aufguss din peste 20 de țări** se reunesc la Therme București pentru a-ți spune povestea lor, la peste 70°C. În exclusivitate, anul acesta, te așteaptă două experiențe rare: **Sauna Village**: locul unde poți testa saune realizate cu măiestrie de cei mai iscusiți producători de saune din întreaga lume și **ReWild Circuit** - sesiuni de Cold Plunge transformate într-o călătorie a expunerii controlate la frig și a redescoperirii forței interioare.

În plus, în premieră pentru România, vei trăi show-uri surprinzătoare de stand-up și teatru în saună, momente ce îmbină arta cu relaxarea într-un mod unic. **Nu uita: pe toată durata festivalului poți câștiga propria ta saună! Scanează bonul de casă și înscrie-te.**
Detalii pe therme.ro.

10 minute care îți vor schimba percepția despre saună:

Ritualul Aufguss este creat de un Maestru Aufguss care folosește bulgări de gheață și combinații unice de uleiuri esențiale naturale pentru a genera vapori intensi. Prin mișcări spectaculoase cu prosopul sau steagul, acesta distribuie aburul către participanți. Rezultatul: un show multisenzorial desăvârșit, benefic pentru minte și corp.

Lasă-te purtat de energia Sauna Fest și descoperă o ediție care îți va rămâne în minte și în suflet. Fiecare moment petrecut în saună, alături de maeștri și terapeuți din toată lumea, te apropie mai mult de ceea ce contează cu adevărat: starea ta de bine.

Relaxare plăcută!

*Feel the story of the world's largest festival dedicated to sauna lovers with every pore of your being! Enjoy over **800 unique multisensory experiences**, created especially to help you feel good here and now. More than **100 Aufguss Masters from over 20 countries** will gather at Therme București to share their stories with you, at over 70°C.*

*Exclusively this year, two rare experiences await: **Sauna Village** - the place to try saunas crafted with mastery by the world's most skilled sauna makers, and the **ReWild Circuit** - Cold Plunge sessions turned into a journey of controlled exposure to the cold and the rediscovery of inner strength.*

*And, for the first time in Romania, you'll experience surprising shows such as stand-up and theatre in the sauna - moments that blend art with relaxation in a truly unique way. **Don't forget: throughout the entire festival you can win your very own sauna! Scan your receipt and enter the competition.** More details at therme.ro*

10 minutes that will change your perception of sauna:

The Aufguss ritual is performed by an Aufguss Master who uses ice balls and unique blends of natural essential oils to generate intense vapour. With spectacular towel or flag movements, the steam is directed towards the participants. The result: a complete multisensory show, beneficial for both mind and body.

Let yourself be carried away by the energy of Sauna Fest and discover an edition that will stay in your heart and memory. Every moment spent in the sauna, alongside Masters and therapists from all over the world, brings you closer to what truly matters: your wellbeing.

Enjoy Sauna Fest!

CITIȚI REGULAMENTUL ȘI INSTRUCȚIUNILE DE UTILIZARE A SAUNELOR ÎNAINTE DE A INTRA

- Temperatura diferă de la o saună la alta.
- Ședintele trebuie limitate la 10, maximum 15 minute.
- Dacă aveți stări de amețeală, moleșeală, greață sau insuficiență respiratorie, părăsiți sauna imediat.
- Folosiți dușul atât înainte, cât și după sesiunea de saună.
- Nu intrați în saună cu accesorii și bijuterii din metal, ochelari sau lentile de contact.
- Nu folosiți sauna decât după minimum o oră de la ultima masă.
- După sesiunea de saună, reduceți temperatura corpului treptat. Începeți cu terasa, unde puteți respira aer proaspăt. Apoi, faceți un duș rece, începând cu extremitățile corpului, pentru stimularea circulației. Pentru că dușul rece făcut prea repede după ieșirea din saună poate reprezenta un șoc pentru organism, acesta se face pe propria răspundere.
- Evitați să faceți efort pentru cel puțin 15 minute după ce ați ieșit din saună.

NU UTILIZAȚI SAUNA DACĂ:

- Aveți angină pectorală, tensiune arterială mică, bătăi anormale ale inimii, tulburări de ritm, dacă ați suferit de infarct miocardic sau afecțiuni coronariene.
- Suferiți de alte condiții medicale de risc mare precum: blocaj renal, deficiențe ale ficatului, tulburări cardiace.
- Vă simțiți rău, leșinați ușor, suferiți de oboseală cronică, epilepsie sau atacuri de panică sau luați medicamente ce previn transpirația corpului.
- Sunteți însărcinată, la menstruație, sunteți sub influența băuturilor alcoolice, a stimulentei, narcoticelor sau tranchilizantelor.

READ THE SAUNA-RELATED RECOMMENDATIONS & REGULATIONS BEFORE ENTERING THE SAUNA

- Temperatures and humidity vary from one sauna to another.
- A sauna session should be limited to 10, 15 minutes maximum.
- If you have nausea, sickness, or respiratory difficulties, please leave the sauna immediately. Prolonged exposure to high temperatures can have side effects and it may induce fainting.
- Use the shower both before and after your sauna session.
- Do not enter the sauna with accessories and metal jewellery, glasses or contact lenses.
- Do not use the sauna until at least one hour after the last meal.
- Cool down gradually after a sauna session. Start with a walk on the Terrace where you can breathe fresh air, and your respiratory system will return to its normal temperature. Then take a cold shower, starting with the extremities of your body - cold showers stimulate blood flow. Do not take a cold shower immediately after a sauna session, because it can put the body into shock. You are fully responsible for the use of the cold shower.
- Avoid exercising for at least 15 minutes after leaving the sauna.

DO NOT USE THE SAUNA IF YOU:

- Have angina, low or high blood pressure, arrhythmia, or if you have suffered a stroke or coronary complications.
- Suffer from other high-risk medical conditions like renal blockage, liver problems, or heart complaints.
- Feel sick, faint easily, suffer from chronic fatigue, epilepsy, panic attacks, or take medicines that inhibit perspiration.
- Are pregnant, menstruating, or under the influence of alcohol, stimulants, narcotics or tranquillisers.
